## Literature studio to the day of Ukrainian language and writing

On November 9th, 2018, as a part of studying "Children's literature and teaching methodology" and on the occasion of the **Ukrainian Language and Writing Day**, a meeting of the second year Bachelor students of the specialty "Primary Education" with children's writer Oleksandr Dermansky was held.

While communicating with Mr. Oleksandr, future specialists had the opportunity to get acquainted with first steps to successful literature activity. The author presented literature works to primary school students, recommended by the Ministry of Education and Science of Ukraine. For example: "Lord, makutsi, or adventures of the grass snake Onysko", "Granny declares war", "Time Cow", "The Apple Kingdom", "Dance of chuhaister", a story "Maliaka, the Princess of Dragon Land" collection of tales "Fairy tales of the Dragon Omelko" and poems "Byhymoty – not medmedi".

We are grateful to Oleksandr Dermansky for an interesting meeting and wish you creative inspiration and further success in the literature field!
