

On October 6, 2017, lecturers of Foreign Languages and Methodology Department Olga Loboda, Lada Petryk, Tetiana Holovatenko took active part in the methodological seminar by Oxford University Press **«Encouraging Growth Mindset in the Classroom»**. It was held in Kyiv Teacher's House. The seminar was arranged by British EL Teacher and Teacher Trainer Ushapa Fortescue, who engaged participants into practical activities so that they could realize how growth mindset improves efficiency of foreign language learning.
