## Outside practical class on "Information and Technological Education: Technologies with Teaching Methods"

**On October 16, 2019** an outside practical class on the topic: "Technology of working with fabric and fibrous materials. Beading" took place at the Center of Ukrainian Culture and Art. Full-time students of the second year of specialty 013 "Primary education" participated in the class.

Students attended The Fourth All-Ukrainian Knitting Exhibition "Warm Autumn", which was held in the Center of Ukrainian Culture and Art. During the outside practical class, students had the opportunity to get acquainted with unique exhibits, exclusive items of interior and clothing. There was also a meeting with a talented craftswoman Larysa Sumer, who held a master class on the manufacture and decoration of jewelry. Students mastered the secrets of working with a rhinestone chain, pearls, French sequins, and Japanese beads. They also learned how to fasten the clasp, embroider the surface with metallic thread.

**Moderators:** Sakaliuk O. P., Candidate of Pedagogical Sciences, senior lecturer of the Department of Primary Education; Shpitza P. I., Candidate of Pedagogical Sciences, senior lecturer of the Department of Primary Education.
