
Outside practical class on "Contemporary English with practice" for third-year students of specialty 025 "Musical art"

On September 10, 2019, an outside practical class on "Contemporary English with practice" was held for third-year students of specialty 025 "Musical art"

English-language excursion on the topic: "Nature beauties and the kingdom of plants in art" was held at the National Museum "Kyiv Art Gallery".

During the field practical training, students had the opportunity to get acquainted with various types of fine arts and genre specifics, practically identify the presented art techniques and materials. Particular emphasis was placed on the English-language description of paintings of natural type among the exhibits of the Museum, the pearl of which are the works of I. I. Shyshkin.

Moderator: Julia Labunets, Candidate of Pedagogical Sciences, senior lecturer of the Department of Foreign Languages and Methodologies, Pedagogical Institute.
