

## Online-salon "Borys Grinchenko: Dialogue with Modernity"

---

**On December 9, 2020**, on the occasion of the University Day, at the initiative of the staff of the Department of Pedagogy and Psychology of the Pedagogical Institute, an online-salon "Borys Grinchenko: Dialogue with Modernity" was held, with the participation of 1st, 3rd and 4th-year students of the specialty "Preschool Education". Participants of historical and pedagogical studios presented the results of their own scientific research on the pedagogical heritage of Borys Grinchenko.

Within the framework of the event, a virtual dialogue of generations on the mission of a teacher was held. Participants talked about the mission of the teacher in the development of a New Ukrainian School and preschool education on the basis of moral values and the introduction of ideas of nationality into the educational process in the context of modern social challenges.

Students were very enthusiastic about interactive games – "Studying the Works of Borys Grinchenko", "Turning Pages of Borys Grinchenko's Dictionaries" and quizzes: "The Life and Work of Borys Grinchenko".
