

ONLINE Open Door Day at the Pedagogical Institute

On **April 9, 2021**, the Pedagogical Institute hosted an ONLINE Open Door Day for applicants for the 1st year on the basis of general secondary education, the 1st year (short-cycled program) on the basis of the educational and qualification level "Junior Specialist" and the 1st year of the Master's program.

The issues of organization of the educational process at the Institute, the content of courses, material and technical, social and humanitarian support for students were discussed.

Sincere emotions and impressions about studying and personal achievements at the Institute from students and Student Council, words of advice from the admissions committee created a warm atmosphere and, in our opinion, laid the seed of professional self-determination in future applicants.
