

MEETING WITH APPLICANTS OF THE THIRD (EDUCATIONAL AND SCIENTIFIC) LEVEL OF HIGHER EDUCATION IN SPECIALTY 012 PRESCHOOL EDUCATION.

On September 8, 2021, the Department of Preschool Education held a meeting with the first year PhD students (full-time/part-time) of the specialty 012 "Preschool Education". PhD students presented themselves, shared their professional and practical achievements and expressed their expectations for building their own educational trajectory. Olena Polovina, Head of the Department, congratulated PhD students and briefed them about the peculiarities of PhD studies (a combination of educational, scientific and practical components). Scientific supervisors Tetiana Ponomarenko and Lyudmyla Kozak motivated applicants of the third (educational and scientific) level of higher education to be persistent in the implementation of scientific ideas and comply with the code of academic integrity and corporate culture.
