

## Congratulations on the victory!

---

Congratulations to Iryna Shevchenko, a six-year student of the specialty "Primary Education", and her supervisor, associate professor Olena Muzyka, on winning the International Student Competition "Vectors of Psychology", which was held at Francisk Skoryna Gomel State University (Belarus).

The competition was held within the framework of the II International Scientific and Practical Conference "Vectors of Psychology: Psychological and Pedagogical Support of the Individual in the Modern Educational Environment".

During the conference, topical issues of psychological and pedagogical support of the individual in a difficult life situation; the development of children with special educational needs; features of personal development in family, as well as psychological aspects of gender, interdisciplinary and cross-cultural research were discussed. Iryna Shevchenko took the first place for the best scientific report "Gender Features of the Development of Emotional Intelligence of Primary Schoolchildren".
