## "Holiday Adventures"

**On December 18, 2019** "Pre-School Education" students came to pre-school education institution №501.

As part of studying courses "Children's Literature with Methodology" and "Pedagogical Partnership", students prepared a performance together with the V. Mayakovsky library to create a holiday atmosphere for small residents of Rusanivka on the eve of St. Nicholas Day.

Children watched adventures of St. Nicholas and his assistants, who saved the holiday from robbers and wizards with great interest. They also took an active part in various competitions, sang and played together with the characters of the play.

There were also gifts to each child from St. Nicholas and his assistants.

We express our sincere gratitude to the administration and staff of the V. Mayakovsky library for continuous fruitful and creative cooperation. We are also grateful to administration and staff of preschool education institution №501 for a warm welcome and positive emotions.
